HASelect-Medical Receivables Litigation Finance Fund International SP (“HASelect”), by and through its undersigned counsel, and Tecumseh-Infinity Medical Receivables Fund, LP (“Tecumseh”), by and through its undersigned counsel (each a “Party” and, collectively, the “Parties”), hereby agree and stipulate, pursuant to Local Rule 7026, to extend discovery deadlines as follows:

**A. Discovery Completed**

The following discovery has been completed:

1. On or about January 12, 2022, HASelect served a subpoena on nonparty Three Bell Capital.
2. On or about January 12, 2022, HASelect served a subpoena on nonparty Jonathan Porter.
3. On or about January 17, 2022, Tecumseh served its Initial Disclosures pursuant to FRCP 26 on HASelect.
4. On or about January 18, 2022, HASelect served its Initial Disclosures pursuant to FRCP 26 on Tecumseh.
5. On or about March 10, 2022, HASelect served its First Set of Interrogatories and Requests for Production on Tecumseh.
6. On or about March 29, 2022, Tecumseh served its First Set of Requests for Production on HASelect.
7. On or about April 18, 2022, Tecumseh served its Responses to HASelect’s First Set of Interrogatories and Requests for Production.

**SHEA LARSEN**  
1731 Village Center Circle, Suite 150  
Las Vegas, Nevada 89134  
(702) 471-7432

8. On or about May 18, 2022, HASelect served its Responses to Tecumseh's First Set of Requests for Production.

9. On or about August 29, 2022, Tecumseh served its First Set of Interrogatories and Requests for Admission as well as its Second Set of Requests for Production on HASelect.

10. On or about September 9, 2022, HASelect served its deposition notice for the deposition of Tecumseh.<sup>1</sup>

11. On or about September 9, 2022, HASelect served deposition subpoenas on various nonparties.

**B. Discovery Remaining**

Discovery in this case has been ongoing and additional discovery remains to be completed, including, but not limited to:

1. Depositions of each party or the party's representative;
2. Depositions of various third parties;
3. Additional written discovery;
4. Meet and confer regarding allegedly deficient discovery responses; and
5. Possible motion practice regarding allegedly deficient discovery responses.

The Parties reserve their right to take additional depositions based on information disclosed in produced documents or obtained in the depositions the Parties have identified.

**C. Reasons Why Discovery Will Not Be Completed Within the Time Limit of the Existing Deadlines**

This case is complex and involves thousands of accounts receivable purchased from more than 100 different medical providers. While this Court has already ruled on some of the issues regarding a subset of the accounts receivable at issue, other accounts receivable remain that require further discovery and analysis. The Parties have worked diligently by engaging in discovery from the outset of this case, but the extent of the documents produced in this matter are voluminous and require additional time for review. Further, although depositions have been noticed, they will likely

<sup>1</sup> HASelect subsequently withdrew its deposition notices for Tecumseh, and its principals.

1 need to be pushed back to accommodate the Parties as well as non-party deponents' schedules. There  
 2 are also outstanding issues regarding allegedly deficient discovery responses that will require that  
 3 the Parties meet and confer, which may also require motion practice. Further, discovery has been  
 4 delayed in this matter as a result of the Parties attending a settlement conference to try and resolve  
 5 this matter without incurring additional attorneys' fees and costs. As settlement has not occurred,  
 6 the Parties will need to continue their discovery efforts in this matter.

7 The Parties believe that, given the situation as it presently exists, discovery cannot be  
 8 accomplished by the represented deadlines in the Parties' joint discovery plan on file herein [ECF  
 9 No. 49]. This stipulation to extend the existing discovery deadlines is brought in good faith and not  
 10 for the purpose of delay. Based on the information presented in this Stipulation, the Parties believe  
 11 that good cause exists to extend discovery as proposed in order to permit the Parties to ensure that  
 12 discovery is conducted in a thorough manner.

#### 13 **D. Proposed Amended Discovery Schedule**

14 Based on the foregoing, the Parties have agreed to extend the discovery deadlines by  
 15 approximately ninety (90) days as follows:

17 <b>Event Deadline</b>	<b>Current Date</b>	<b>Proposed Date</b>
18 Close of Fact Discovery	9/30/2022	12/30/2022
19 Dispositive Motion Deadline	10/31/2022	1/31/2023
20 Final List of Witnesses and Exhibits	11/30/2022	2/28/2023
21 Expected trial ready date	1/3/2023	3/31/2023

**E. Current Trial Date**

This matter is presently scheduled to go to trial beginning on April 3, 2023. The extension of discovery deadlines requested herein will not require any continuance of this trial date.
